Hello and welcome to the Fourth edition of our Junior Section Newsletter.

The Official Junior Handicaps have now been published.

A note to all players is that Handicaps are there to be beaten, so do not be discouraged if you feel it has been set too high.

Once the competitions get under way there will be plenty of opportunity for every player to improve their game, which will result in the Handicap coming down to reflect this.

Like wise should any player be struggling then we will of course adjust their playing Handicap upwards.

Competitions

The first Official Junior Competition will take place on Saturday 01/06/2019.

Tee times will begin from 13.30pm every Saturday.

The Competitions will be a mixture of individual and team.

The Andrew Moralee Trophy will be an individual stableford event which will be played 1 Saturday in every month.

The winner be determined by the player with the most points accrued over the four months with the following points beak down;

01st – 5 Points

02nd – 4 Points

03rd – 3 Points

04th – 4 Points

05th – 1 Point

The am / am competitions will be made up of 3 players per team with the best score to count.

All competitions are subject to change on the day depending on the weather and number of players.

All competitions will be over 9 holes except where stated on the fixture list.

The competitions will be for Normanton Golf Club Junior Members only, so I would encourage anyone who would like to participate in the upcoming events and have yet to become a member, to take the club up on the excellent offers available to become a Junior member of Normanton Golf Club.

August Holidays

I have not published any additional fixtures over the August Holidays, but we will be organising additional events during the week days, so I will keep everyone informed well in advance of what is going on.

Junior Captains Day

The Junior Captains Day will be the blue ribband event in the Junior Fixtures Calendar.

All players will receive a prize on the day, so the Junior Section would be grateful to any member who could donate a prize for this event.

Please see either David Hartley or Gary should you wish to donate.

Gary's Lesson

The lessons with Gary continue at 13.00pm each Saturday.

All players once they are to a standard will be welcomed onto the course and given an Official Playing Handicap.
