

JUNIOR SECTION UPDATE

THIS MONTHS CONTENTS

- **Lockdown 2.0**
- **Competition Results**
- **December fixtures**

 Hello and welcome to the October edition of our Junior Section Newsletter.

Lockdown

We may as well start with the bad news that November's fixtures are all cancelled as the golf course has to close to adhere to Government guidelines.

It's disappointing for all but hopefully we get to resume Junior golf competitions on Saturday 5th December.

On a positive note, the golf course will get a chance to recover from the footfall and we have the Masters to enjoy this week!

Competitions

October was a bit of a strange month for competitions.

The Terry Cusworth Trophy was cancelled for appalling weather. This event will be re-scheduled as a 10 hole competition sometime in December. This gives Aaron plenty of time to empty his pocket money from it.

The following week saw the last round of the Andrew Moralee Trophy take place. A very close finish saw Aaron, Jocelyn and Dan all finish level on points and those 3 will contest a 9 hole playoff in December to determine the Trophy winner.

On Saturday 17th October Olly Bateson smashed the 13 hole individual stableford with Billy and Lewis runners up on 27 points. Dan, Lewis, Charlie and Peyton won the team competition.

Saturday 24th saw the end of season competition where quite a few juniors were missing for holidays etc. Olly B, Lewis and Aaron were joint winners.

The final fixture was the Halloween Scramble which saw Charlie and the rest of the juniors make a big effort and get dressed up. A big thanks to Nick for a superb Halloween buffet for the juniors.
