## **NGC Presentation night**

The Club held its Annual Presentation evening late last month. During the day there was the traditional end of season golf comp with morning and afternoon shotgun starts, the last 18 hole comp of the year, followed by an evening event where a packed Hatfeild Suite witnessed some worthy winners from all the competitions throughout the year. Special mention must go to Jack Longley, Mark Griffiths and Will Smith who all received several awards as multi winners throughout the year. Below are some pictures from the evening (apologies if yours is not shown)

### Rabbits Section Presentations

Another presentation event held recently was the Rabbits Section's traditional end of season awards. Adrian tried his very best to find ways of hosting this event live but course and club house closures conspired against him unfortunately and rather than have no presentation he reluctantly had to resort to a video prize presentation for each trophy winner.

The 2023 Rabbits Trophy winners are:

The Rabbits Singles Knockout winner - Scott Aitken

The Rabbits Pairs Knockout Winner - Andrew McNaught & Tim Wilsher

The John Sherwin Trophy - Richard Poynton

Player of The Year 2023 Rabbits Section - Stephen Whalen

Club Man of The Year 2023 Rabbits Section - Andrew Campbell

Congratulations to each and every one of you.

Next year's Captain is Andrew Parkinson who is already working on fixtures and planning the Rabbits away weekend. We all look forward to the 2024 Season under Andrew's Captaincy.

### NGC Annual Survey

The Annual Member's Survey has now been completed and thanks goes to the large numbers of members who completed and returned it. This is a very important survey as the outcomes from it will inform and guide future key decisions to be made by the Directors in taking the club forward in its continuous development.

### Club AGM

The Club held its Annual General Meeting on Friday 10<sup>th</sup> November. Members attended to hear the Directors give their annual review of their various portfolios. A financial position statement was given by our Finance Director Chris Dean following production of the annual accounts. For those members who couldn't attend on the night the power point presentations and minutes will be available to read on the Members Hub under "documents" shortly after 15<sup>th</sup> December.

## **Ideal time to use our state of art Simulator**

Winter golfing conditions out on the course are definitely here, so if you don't like all the mud flying about and want to keep your trouser bottoms clean and at the same time want to "keep your eye in" so to speak regarding your game, or just want to try and tweak/improve your swing, or maybe take part in a competitive indoor golf league, etc. then now is the ideal time to use the Club's state of art Simulator.

Just contact the Pro shop and they can book you in and tell you about any latest deals available.
